A special meeting of the Board of Aldermen was held on Saturday-the President, Judge Meredith, in the chair. Present: Messrs, Bass, Cabell, Beall, Wagner, Dickinson, Williams, Lipscomb, Kelly, Barksdale, Crump, and Gasser.

Messrs. Beall and Barksdale thought that what the cost, though they were not in fathe present book is nearly useless. Mr. Williams favored the printing. He

made some suggestions as to how the work could be better done than before. Mr. Bass also concurred in the necessity or reprinting the book of ordinances.

VEGETINE.

TEGETINE WILL CURE CANCER.

PROOF! PROOF! PROOF!

Dear Sir .- About two years ago a Cancer made its appearance on my face, left side of my nose. When I first noticed it 'twas about the size of a pinhead (very small). It increased in size, and spread on my face until it became as large as a common cent. I tried all kinds of remedies, and advice from a physician. It was spreading and eating into my flesh very fast. I was very much alarmed. I went to see a physician who cured Cancers; be did not give me much encouragement. It pained me very much; I suffered night and day. It would bleed at times very profusely. Everything was done that could be to try to cure the cancer. My brother had a cancer on his lip; he submitted to an operation, being well discouraged. I was one day in Mr. Woodberry's apothecary store, of this town. He gave me your pamphlet containing many cures by the use of VEGE-TINE. I found on page 19 where VEGETINE had cared a cancer on a lady's nose. I then bought a bottle of your VEGETINE, and it proved a great blessing to me. I could see good effects from it right away. After taking three bottles it stoppe the spreading of the cancer about the edges; it hecked the eating into my flesh. I could see it was gradually healing. I kept on taking VEGETINE, the cancer slowly disappearing, until I had taken sixcen bottles, and it completely cured it. It has left

Dear Sir.—It gives me great pleasure to give in my testimony to the good effect the VEGETINE has had on me. I have been troubled for twenty years with an eating Ulcer on my shin-bone. During that time I have tried many remedies, but have not had it cured till now. Some three months ago it was very bad, so that the fl sh was eaten into the bone, from a place as large as the palm of your hand. I was recommended by Mr. Tillon to try your VEGETINE, and I did so. In taking the first bottle it commenced to heal; and I have only taken five bottles, and it is all heated nicely, and I would cheerfally re-H. R. Stevens, Esq.:
